Reshaping Medical Transportation

RESHAPING MEDICAL TRANSPORTATION

Capital District Medical Transportation, Inc.

Our Mission

We at C.D.M.T. are Advocates of Quality Medical Transportation for the Disabled.

We strongly feel all people should be treated with kindness, respect, and dignity.
(Especially those with Disabilities)

We believe continuous quality control is essential for repeat business and growth. We at C.D.M.T. strive daily to..... **Reshape Medical Transportation**

COMMITTED TO QUALITY MEDICAL TRANSPORTATION FOR THE DISABLED

Capital District Medical Transportation, Inc.

Our Service

FOCUS on TRANSPORTATION of INDIVIDUALS with Disabilities

Our organization believes that the disabled should not be limited by their disabilities. Whether it is traveling across town for a medical appointment or across the state to visit a loved one for the holidays, each call is important to us and handled by a friendly, professional staff member with attention to every detail.

As a courtesy, we also include a reminder call to each client 24 hours prior to the scheduled pick up. (Advanced reservations required 7pm to 7am weekends and holidays)

We will accommodate ANY type of travel requirements. We provide services at:

| | | | | |
|---------------------------|-------------------------|-----------------------|--------------------|---------------------------------|
| Airports | Train stations | Seaports | Hospitals | Dialysis treatments 24/7 |
| Diagnostic centers | Nursing homes | Adult day care | Law offices | Doctor visits |
| Holiday visits | Family occasions | Excursions | Theaters | Restaurants |

We are now offering ½ day and full day Ambulette rentals for any occasion.

Your escort/aide always travel free of charge.

For the comfort of each client, our fleet is equipped with rear climate control systems.

Each fleet vehicle is fully insured and certified by the Department of Transportation.

All requests will be entertained.

All vehicles are specifically manufactured for transportation of people with special needs. Our hydraulic lifts are capable of accommodating standard, extra-wide or, or motorized wheelchairs, as well as non-emergency stretcher transportation.

We have constant communication with our fleet via two-way radio and cell phone.

ADVOCATES OF QUALITY MEDICAL TRANSPORTATION FOR THE DISABLED

Capital District Medical Transportation, Inc.

Each driver is CPR certified and receives ongoing company orientation and training related to road safety and customer service. It is our priority to ensure each patients needs are individually addressed and attended to. Each patient will have their own file noting all their specific requirements including medical facilities most frequently traveled to and other destination history, billing preferences, and even their preference for specific drives and/or vehicle (all information is confidential.)

We will be glad to set up billing with all administrative needs with any insurance company your facility uses that will pay for our service. **Please note when you book your transportation through New York State Medicaid broker companies like M.T.M., Access and Medical Answering Service it is your right to choose any transportation provider and their obligation is to fulfill that request.**

I would like to thank you for taking the time to read our Brochure. Please know, we are working very hard to meet with all your transportation needs.

Respectfully,

Lanny Aulbach

President
